

Manager, Access Cover Letter

46520 Savannah Drive West Vandaport, OK 11928

Dear Landry Mosciski,

Please consider me for the manager, access opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for assistance via phone or email to our local engineers/subcontractors in debugging problems found in transmission and IP networks.

Please consider my qualifications and experience:

- Coordinate with project manager/release manager in planning and deployment of newly developed code/configurations/Changes related to Identity & Access management Infrastructure
- Adapts easily to changing demands and needs
- Is a team builder team member
- In-depth knowledge of the medical devices or related industry
- In-depth knowledge of Microsoft Office Suite, including Word, Excel, Access and PowerPoint
- In-depth knowledge of the governing regulations related to medical devices and healthcare industries
- Self-motivated, strategic thinker capable of tackling complex problems and influencing cross-functional teams
- On an ongoing basis, examine current analytics/operational processes to identify and implement operational improvements

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Tatum Koelpin
