

Manager, Access Cover Letter

54366 Krajcik Road Hahnburgh, SC 01708

Dear Max Gleason,

In response to your job posting for manager, access, I am including this letter and my resume for your review.

Previously, I was responsible for demos for strategic prospects and current accounts in all facets of Palo Alto Networks Prisma Access security offerings and integration in existing customer environments.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Interface extensively with Implementation Managers/ GEO Mgr's / Network Direction & Investment
- Work closely with Project Managers from the market segments, CSEs, BND tech's and PIO
- Experience with switch, transport or broadband networks
- Excellent verbal and written communication skills in English language
- Knowledge of pharmaceutical reimbursement policies and regulations
- Excellent cross functional working
- To contribute to the development and evaluation of innovative pricing and tendering strategies, high quality submissions
- Help prepare business cases for market access actions in line with regional P&R governance procedures
- Contribute to the creation of local market access strategies for commercialised and in-development products to ensure access for patients in the broadest licensed patient populations

Thank you for taking your time to review my application.

Sincerely,
