

Manager, Applications Cover Letter

794 Gerry ViewNorth Chauview, FL 84010-3837

Dear Dakota Rodriguez,

I would like to submit my application for the manager, applications opening. Please accept this letter and the attached resume.

Previously, I was responsible for work leadership to technical staff for performing complex analysis, design, programming, and unit testing of software applications using agile development methods.

Please consider my qualifications and experience:

- Strong associate development and coaching skills
- Working experience with software products, and understanding of automation hardware
- Travel throughout California, supporting Anaheim, Union City and Sacramento branches
- Serve and act as the main contact for all IT-related matters for the Financial Planning and Analysis business area
- Identify opportunities for improvement and make constructive suggestions for change within the FP&A function
- Contribute to the development of the Project Management Office
- Respond/act on upper management direction
- Resolve problems in a timely manner and escalate when necessary

Thank you for your time and consideration.

Sincerely,

Frankie Beahan
