Dear Tatum Hilll,

I submit this application to express my sincere interest in the manager, case management position.

In my previous role, I was responsible for guidance to Case Management staff to ensure program and utilization goals are met/exceeded.

Please consider my qualifications and experience:

- Access data in computer data base
- Motivational Interviewing Skills experience preferred
- Two yrs experience working with a medical group or IPA performing utilization review with managed care plans strongly preferred
- Familiarity with regulatory requirements for managed care and HMOs
- Prior experience providing supports and services to individuals with intellectual and developmental disabilities preferred
- Clinical experience in social work counseling with broad range of experience with complex psychiatric and substance abuse or substance abuse disorder treatment
- Extensive experience in case management and telephonic and/or in person coaching with members with a broad range of complex psychiatric/substance abuse and/or medical disorders
- LSCW or RN preferred

Thank you for considering me to become a member of your team.

Sincerely,

Onyx Bechtelar
