

# Manager Cloud Cover Letter

916 Mathilda Divide New Cheyenne Chester, MD 38224-3588

**Dear Finley Hahn,**

I am excited to be applying for the position of manager cloud. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for security best practices for data systems in AWS, Oracle OCI, Azure and Google GCP ensuring integrity and confidentiality of sensitive data.

Please consider my qualifications and experience:

- Cloud product/industry expert
- Experience developing relationships with supplies and co-marketing partners highly desirable
- Track record of success managing sales, partner or channel teams
- Experience managing IT programs and projects consisting of packaged software implementations, application development, and hardware deployment
- Self-starter and leader looking to continuously improve our service development approach
- Strong project planning capabilities defining the initial approach and work plan
- Strong collaborator and communicator
- Experience influencing product direction, preferably with experience on a cloud-based service or monitoring/diagnostics tools and demonstrated success in delivering a product targeting demanding technical end users

**Thank you for taking your time to review my application.**

Sincerely,

Rory Dietrich
