

Manager, Developer Cover Letter

39355 Deckow MissionEast Kathaleenmouth, CO 65859

Dear Ryan Donnelly,

Please consider me for the manager, developer opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for technology solutions and translate marketing and website need into AEM recommendations and solutions to meet project goals.

Please consider my experience and qualifications for this position:

- Manages own interactions to resolve differences/conflicts
- Experience with multi-layer, cloud-based web services (AWS preferred)
- Strongly preferred-solid engineering background
- MS Access expert (Forms, Reports, Queries, Design / Architecture)
- Visual Basic / MS Excel Macro expert
- MS SharePoint expert
- Has worked extensively with MS Access databases that are dynamically connected to SharePoint lists
- MS Infopath and Nintex form integration with SharePoint expert

I really appreciate you taking the time to review my application for the position of manager, developer.

Sincerely,

Brooklyn Stroman
