

Manager, Information Systems Cover Letter

8107 Pacocha Roads
New Orville, ND 41869

Dear Riley Lakin,

Please consider me for the manager, information systems opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for detailed file information and consultation to the SOX Manager and the Internal Audit Department in the testing and documentation of SOX Controls.

Please consider my experience and qualifications for this position:

- Knowledge on major eCommerce technology platforms such as SAP Hybrids, Adobe AEM and WebSphere commerce
- Proven experience leading, coaching and mentoring teams
- Passionate, strategic, creative thinker
- Experience with complex security and privacy policies (ie
- Aspiration for lifelong learning and personal growth as a manager and leader
- Demonstrated values of teamwork, spirit of winning, respect, and integrity
- Thorough understanding of US Government Cybersecurity/IA policies
- Works with service owners to ensure vendors deliver to the service levels agreed in their contract, escalating issues to the Commercial Function and Head of GIS Vendor Management when necessary

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

River Volkman
