**Dear Briar Kulas,**

I am excited to be applying for the position of manager, inside sales. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for consultation to customers regarding new products and services that will help their businesses succeed.

Please consider my qualifications and experience:

- Individual or team Bid Management experience, with bid values going in to the millions of pounds
- An Engineering qualification and/ or demonstrable experience of technically challenging and developing bid proposals, directly with customers and internal Engineering functions
- Excellent written and oral communication skills in support of working with VP level colleagues and customers
- Experience managing a team of 5+ direct reports is preferred
- Knowledge of B-Line Products is preferred
- Knowledge of SAP and Business Explorer is preferred
- Background in Manufacturing or Distribution
- Experience with electrical, mechanical or datacom channels is preferred

**Thank you for taking your time to review my application.**

Sincerely,

Dakota Wiegand
