

Manager, Investigations Cover Letter

42955 Nader StreamEast Desirae, NV 30581

Dear Dakota Bruen,

In response to your job posting for manager, investigations, I am including this letter and my resume for your review.

In the previous role, I was responsible for guidance regarding the interpretation of federal regulations, laws, and policies to researchers, staff, and administrators.

Please consider my qualifications and experience:

- Skilled at implementing security programs in compliance with applicable IOSA and company standards
- Experience in campus security operations
- Strong written, verbal and executive level presentation skills
- Working knowledge of personal computers and projection equipment
- Managed and lead complex investigations into allegations of bribery, misconduct, corrupt behavior, policy breaches or reputational issues, including conducting and leading witness and suspect interviews
- Cross industry and sectoral experience in conducting investigations, fraud risk management activities will be preferred
- Proficiency in word processing, spreadsheet, and presentation creation, Internet research tools
- Demonstrated decision-making, project management, and communication skills are essential

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Casey Kuhic
