

Manager Materials Cover Letter

1577 Cleo Passage Luveniabury, IN 16821

Dear Armani Osinski,

I am excited to be applying for the position of manager materials. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for guidance on the selection of materials, suggest improved methods for the manufacturing process, and ensure the delivery of highest quality products.

My experience is an excellent fit for the list of requirements in this job:

- Effective communication & Leadership skill & Management roles in Engg
- Extended knowledge of Mapics and MRP experience
- Expert knowledge and understanding of theories of MRP, JIT, Kanban and Lean Manufacturing
- APICS qualified would be desirable
- Supply Chain management experience in a multi-national organization
- Experience in leading improvement programs in manufacturing sites
- Awareness and appreciation of different cultures
- Experience in state-of-the-art materials management systems including supply chain management, cash flow and asset management, JIT, MRPII, cellular manufacturing and with APICS/CPM certification preferred

Thank you for considering me to become a member of your team.

Sincerely,

Brooklyn Pfannerstill
