

# Manager Materials Cover Letter

94899 Michal HillsDenesikborough, WI 20551-5055

**Dear Morgan Osinski,**

I would like to submit my application for the manager materials opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for materials knowledge and guidance in the exploration and identification of materials specific to footwear with an emphasis on aesthetics, performance, quality, cost and sustainability.

My experience is an excellent fit for the list of requirements in this job:

- Prepares and statuses annual objectives supporting company objectives
- General management role inspiring team relationships within the materials and production group and other departments and programs
- Maintains overall good housekeeping procedures within the warehouse
- Ensures adequate safety standards are met for warehouse operations employees in the work place
- Solid understand of Planning and Purchasing methodologies (forecasts, safety stocks, replenishment strategies, inventory optimization, lead time reduction, Kanban)
- Demonstrated experience in operational excellence (lean six sigma, TPM, loss analysis, root cause, permanent corrective actions)
- ERP & supply chain mastery, including tools such as SAP, JIT, SMI/VMI, LDM, and Kanban
- Excellent computer based analysis skills combined with investigative and problem solving skills

**Thank you for considering me to become a member of your team.**

Sincerely,

Cameron Schmeler
