

Manager Medical Cover Letter

4783 Hodkiewicz TraceNew Brittview, AK 12771

Dear River Kuhic,

I would like to submit my application for the manager medical opening. Please accept this letter and the attached resume.

Previously, I was responsible for theory-based professional nursing care and coordinates care delivery with the physician and other members of the health care team within the scope of the RN license.

Please consider my qualifications and experience:

- Doctor of Medicine or Ph.D
- Experiences in Medical & Clinical, Research & Development is preferable
- Good knowledge Statistics & Data Management skill
- Experience in medical affairs or clinical research function in pharmaceutical industry is desirable
- Prior industry experience as Medical Manager or Medical Scientific Liaison in the Therapeutic Area
- Communicate in a precise, reliable, unambiguous and timely manner
- English sufficient to communicate within the organization
- Training in regional / local and international regulations including Good Clinical Practice

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Corey Kessler
