

# Manager, SAP Cover Letter

287 Norris Rue Mitchellmouth, IL 20284-4076

**Dear Sawyer Kris,**

Please consider me for the manager, SAP opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for specialist level functional and configuration support for the SAP solutions in the FI/CO modules of ECC 6.

Please consider my qualifications and experience:

- Lead and manage the "Functional ERP Applications" IT Team, leveraging 3rd party support
- Provide operational support for our SAP ERP and CRM systems
- Assist in coordinating training to our business partners
- Assists in the development and implementation of IT policies and procedures
- Provides technical help in system configuration and testing
- Demonstrate a working knowledge of routine business management processes
- Provide timely response and communication to problem through the ticket system
- Provide input into recommendations for changes to standard procedures or processes

**I really appreciate you taking the time to review my application for the position of manager, SAP.**

Sincerely,

Avery Sporer
