

Manager, SAP Cover Letter

273 Mann Trafficway Danilohaven, IL 76349

Dear Indigo Grady,

I am excited to be applying for the position of manager, SAP. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for specialist level functional and configuration support for the SAP solutions in the FI-CO modules of ECC 6 and Treasury.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Significant experience delivering SAP Release expertise
- Understands project plans and is able to clearly articulate their role, project goals, and timelines
- Effectively presents information to their team and department, as needed
- Experience in a corporate QA environment
- Able to prioritize tasks based on potentially conflicting project needs
- Working knowledge and experience release management methodologies and tools
- Considerable knowledge of SAP release management processes and protocol
- Extensive experience in working in a high pressure payroll environment

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Rory Schaefer
