In the previous role, I was responsible for expertise and support to the P&SM staff to support and improve key business processes and support within SAP.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Strong understanding of Analytics & interpretation to industry relevant scenarios
- Hands-on experience with BW-on-HANA, Data Extractors
- Extensive experience in Enterprise application training delivery primarily in SAP or equivalent
- Good knowledge of Enable Now , test script production , Solution Mgr
- Broad SAP knowledge of SAP in Finance, Procurement, Logistics
- Extensive training course development and delivery experience
- Knowledge of training environments in an ERP/MRO landscape
- Experience in either ASAP/Activate SAP Implementation methodologies

Thank you for considering me to become a member of your team.

Sincerely,

Stevie Bashirian
