

Manager, SAP Cover Letter

90372 Leonor PinesO'Konfurt, KY 31877

Dear Marion Huel,

I submit this application to express my sincere interest in the manager, SAP position.

In the previous role, I was responsible for configuration and functional support for the Advanced Planning and Optimization (APO) modules and Integrated Business Planning (IBP) modules of SAP.

Please consider my qualifications and experience:

- Experience with Business Warehouse or BI tools
- Experience with or interest to learn skills in other tools such as Anaplan or Blackline
- Extensive experience implementing of SAP FI, CO, PA, EC, and BPC on projects in a functional/technical capacity for a Life Sciences company and managing a team of analysts
- Current SAP Solution Manager know-how (version 7.2)
- SAP Solution Manager certification and ITIL certification is an advantage
- Typically CRM configuration and customizing experience, post processing framework
- Performance, self-reliant and reliable work style, self-initiative, service orientation, teamwork
- Able to foreing travels

Thank you for considering me to become a member of your team.

Sincerely,

Parker Connelly
