

Manager, SAP Cover Letter

933 Vashti Street New Orenfort, HI 30415

Dear Emery Boehm,

I would like to submit my application for the manager, SAP opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for regular updates to SAP Functional Areas and SAP leadership on the execution of the programs and projects.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Knowledge and experience in working with SAP systems in a validated (GxP) environment
- Experience providing leadership and oversight to global teams
- Accounting background and good process knowledge in cloud business is highly preferred
- Integration experience with SAP FICO (SD), experience in RAR, FSCM, Vertex Integration and Offer to Cash process is preferred
- Experience in SAP system using Customer exits, BADI (Business Add Ins), and enhancement framework and developing interfaces using File, RFC, IDOC, BAPI, Web services, and database connections
- Experience analyzing ABAP logs and dumps
- Experience and/or knowledge of Flexera licensing management system
- Experience and/or knowledge of SFDC

Thank you for taking your time to review my application.

Sincerely,

Bellamy Turner
