

Manager, SAP Cover Letter

85121 Velma SquaresCristobalfort, IL 08911-4519

Dear Story Johnson,

Please consider me for the manager, SAP opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for functional knowledge (Business and SAP) and support to the SAP Team and to business partners.

Please consider my experience and qualifications for this position:

- Good command of English and German languages (spoken and written)
- Pronounced learning and analysis capabilities
- Self-driven and self-directed
- Data processing technology and its application to the solution of systems problems
- Inter-relationships and interface requirements among other Business Systems functional areas
- Effective use of systems analysis and design techniques
- Procurement-to-pay business processes or experience in order-to-cash business processes
- Managing projects utilizing a project management tool

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Onyx Hahn
