

Manager, Strategic Accounts Cover Letter

3982 Jan RoadsSchmidthaven, MT 46733-6875

Dear Royal Herzog,

I submit this application to express my sincere interest in the manager, strategic accounts position.

In my previous role, I was responsible for competitive intelligence and insight into online and mobile banking markets and assess the business value of emerging channel technology.

Please consider my experience and qualifications for this position:

- Sets appropriate timelines and follows projects and tasks through to completion
- Confidently and positively adapts to changes and challenges
- Continually expands technical expertise and integrates best practices into work
- Solicits and is receptive to feedback and coaching
- Strong negotiating, presentation, training and facilitation skills
- Proficient at interacting with people at all levels of an organization
- Establishes a clear line of sight between customer needs and organizational objectives
- Takes initiative and ownership to identify and achieve goals and objectives

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Blake Leannon
