

Manager, Team Cover Letter

28277 Bud Groves North Man, VT 76677-5868

Dear Emerson Homenick,

I would like to submit my application for the manager, team opening. Please accept this letter and the attached resume.

Previously, I was responsible for support to ACE Field and Corporate Stakeholders for Business to Business implementation deriving from Store Visits, Store Conventions and In-Store Business to Business Ambassadors.

My experience is an excellent fit for the list of requirements in this job:

- Monitoring costs of project delivery
- Diagnose problems with analytical methods and suggesting possible solutions to ensure efficient and fit for purpose methods are available
- Contribute to running and maintenance of quality systems
- Good experience of managing and leading teams on a day to day basis including workload and reporting
- Evidence of people and project management including completing performance reviews and holding monthly one-to-ones with each team member to drive continuous improvement and development
- Experience in coaching and mentoring staff
- To think innovatively and make process simple and leaner
- Ensuring the delivery of a cost effective, professional and customer focused claims service, while developing staff and implementing quality initiatives

Thank you for taking your time to review my application.

Sincerely,

Oakley Watsica
