

Market Development Representative Cover Letter

957 Skiles Passage
New Jonville, MO 78543

Dear Sam Graham,

I submit this application to express my sincere interest in the market development representative position.

In my previous role, I was responsible for input to the RFP responses to ensure that the responses are reflective of our standard product offerings, and to agree to any deviation to the standard product offerings.

Please consider my qualifications and experience:

- Speaks French (native) and English
- Entrepreneurial spirit to sell
- Employees to the next level based on their performance
- Fluent in English and Italian languages
- Proactive, creative, and able to work individually work as part of a team
- Autonomous while still collaborative
- Experience selling complex systems or products (preferred)
- Salesforce.com and Google Apps (preferred)

Thank you for considering me to become a member of your team.

Sincerely,

Frankie Carroll
