

Market Development Representative Cover Letter

61127 Jeffry Road Raubury, IA 37136

Dear Armani Stehr,

I submit this application to express my sincere interest in the market development representative position.

In my previous role, I was responsible for user feedback to product management, marketing, sales, and support to improve e-product offerings.

Please consider my experience and qualifications for this position:

- Microsoft Office – word, excel, outlook, ppt
- Have high energy and be driven by opportunity to make money
- Be motivated by a sense of urgency, a will to win, and a talent for negotiating
- Have effective communication and customer service skills
- Be confident in their decision-making skills
- Speak native Mandarin and fluent English
- Fluent in English and Swedish or Danish
- Proactively hunt for new business opportunities by outbound telephone contact, business social network contact, and follow-up on leads/inquires provided

Thank you for considering me to become a member of your team.

Sincerely,

Justice Schuster
