

# Market Development Representative Cover Letter

489 Mario LightsSchroederberg, MA 32615-0634

**Dear River Keeling,**

In response to your job posting for market development representative, I am including this letter and my resume for your review.

In my previous role, I was responsible for product and support information to customers for all product offerings to include handling of both domestic and export accounts;

Please consider my qualifications and experience:

- Knowledge of sales techniques and systems like Salesforce.com (SFDC)
- Experience using Salesforce.com or similar CRM product preferred
- Proficiency with MS Office suite and other software applications
- Experience in Salesforce CRM preferred
- Well organized, go-getter mentality, and a pre-planner
- Natural curiosity, a love for learning
- Negotiating skills is an advantage - Salesforce CRM experience
- We want ambitious people to join our growing team - Experience with Strategic Selling

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Shae Jones
