

Market Research Associate Cover Letter

9649 Bartell Manors
South Kimberley, MD 55631

Dear Denver Hill,

I submit this application to express my sincere interest in the market research associate position.

Previously, I was responsible for research and analytic support to college leadership (Director of Strategic Initiatives), administrators, staff, and faculty with timely and relevant research, data analysis, data interpretation, and information.

My experience is an excellent fit for the list of requirements in this job:

- Demonstrate instinctive curiosity about new fields of inquiry
- Direct Oncology experience is preferred
- Has a demonstrated track record of working effectively across functions/organizations
- Past roles supporting sales, marketing, promotions, competitive intelligence, early indications is preferred
- Knowledge of the fundamentals of literature reviewing, value communication and health technology assessment
- Team-oriented, quick learner who can work well under deadline pressure while maintaining a high level of accuracy
- Passionate and outgoing, able to build cross-functional relationships
- Working knowledge of statistical analytical techniques

Thank you for taking your time to review my application.

Sincerely,

Quinn Walsh
