

Master Plumber Cover Letter

2256 German Island Port Alene, MN 22847-4163

Dear Sam Cummings,

Please consider me for the master plumber opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for a full range of plumbing services to the embassy and all satellite sites under the direction of the Deputy Project manager including installation and repair of pipes, fittings, fixtures and drainage systems.

My experience is an excellent fit for the list of requirements in this job:

- Proficiency using plumbing tools, materials and equipment
- Expert knowledge in piping and ventilation systems
- Understand state and local regulations & building codes
- Experience with oil and gas boilers
- Also requires experience cutting, brazing and welding metals and pipes
- Knowledge of complicated math
- Knowledge of the state and city plumbing codes
- Knowledge of complicated drawings and cross references

Thank you for taking your time to review my application.

Sincerely,

Robin Homenick
