

Materials Coordinator Cover Letter

65062 Jessi GardenEast Britt, NH 69634-7961

Dear Denver Jast,

I am excited to be applying for the position of materials coordinator. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for expert guidance, technical & process insight to R&D and Manufacturing to develop the next generation of materials and processes for product development opportunities.

Please consider my qualifications and experience:

- Understanding of general fabric development process and fabric construction across wovens and knits
- Knowledge of MRP/ERP Warehouse Management System
- Experience working in a highly regulated environment (preferred)
- Work Planning module
- MRR/Receipt Module
- OS&D Module
- MTO/BOM Module
- Expediting Module

Thank you for your time and consideration.

Sincerely,

Parker Gerlach
