- Experience conducting RAI-MDS assessments and compiling data reports based on those assessments
- RN or LPN License in the state of Iowa

- Currently licensed as an RN in the State of Georgia, with experience in caring for adult/geriatric residents in a subacute/long-term care setting
- Prior experience in long term care/skilled nursing setting as an MDS Nurse
- MDS experience is preferred
- Knowledge of the problem solving method

Thank you in advance for reviewing my candidacy for this position.

Sincerely,
