

Mechanical Maintenance Cover Letter

77671 Stephaine OvalGleichnerburgh, WV 99894-5908

Dear Rowan Cole,

I would like to submit my application for the mechanical maintenance opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for leadership to plant maintenance team on maintenance programs, with emphasis on planning and scheduling of predictive/preventive maintenance.

Please consider my qualifications and experience:

- Experience in a maintenance role with an operating asset
- Experience with control of work processes and golden rules
- Hydraulic system maintenance and repair or similar lubrication system experience
- Basic welding and pipefitting expertise
- Experience of developing/review of equipment specific maintenance plans
- Knowledge of the requirements of major projects processes
- Experience of maintenance planning and scheduling processes
- Demonstrated safety and attendance performance

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Hayden Auer
