

Media Account Manager Cover Letter

55628 Dirk CommonHilpertport, MI 49466-7862

Dear Spencer Stark,

In response to your job posting for media account manager, I am including this letter and my resume for your review.

In my previous role, I was responsible for insight and guidance on analytics derived from key reporting tools and vendor management platforms (Vendor Central) and other channel management analytics platforms.

Please consider my experience and qualifications for this position:

- Experience using data to make recommendations to clients or customers and or internal partners
- Strong overall understanding of Media & Entertainment – Studios domain with preferred expertise/exposure to digital supply chain, sales & distribution, customer facing applications, technical operations
- Hands-on experience with leading RFP/proposal presentations
- Solid understanding of SDLC implementation projects delivery & execution methodologies
- Knowledge of working with clients having packaged applications, cloud solutions is preferred
- Strong track record of success selling enterprise software solutions into the the Telco and Media verticals in the UK
- Extensive background in Customer Service or Call Centre applications
- Proven track record in Account Management and/or Project Management

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Bellamy Beer
