Dear Story Greenfelder,

Please consider me for the media opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for support to Client Solution teams in the development of consumer insights from both syndicated research tools (such as Strata, Scarborough, MRI and/or POLK) and TWCM proprietary research.

Please consider my qualifications and experience:

- Develops external communications such as Web content, podcasts, brochures that adhere to CDC's guidelines and polices
- Edits online and remains current on editing software upgrades
- Video coding standards, including HEVC/H.265, VP8, VP9, AVC/H.264, MPEG2, and AVS
- Video coding technique research and video coding standard proposal contribution
- Video codec algorithm design, c-model development, and quality tuning
- Video product definition, design, and implementation in hardware and/or software
- C and/or C++ programming, Perl and/or Python script developing
- Familiarity with VR/360 video capturing, processing and coding would be an added advantage

Thank you for considering me to become a member of your team.

Sincerely,

Azariah Barton
