

Medical Tech Cover Letter

368 Sean BrooksSwaniawskitown, TN 08213-4318

Dear Reese Goldner,

I would like to submit my application for the medical tech opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for leadership in support of the CNN Digital technology plan and principles, as well as organizational direction and culture.

My experience is an excellent fit for the list of requirements in this job:

- One of hospital or pre-hospital experience is preferred
- Knowledge of computer hardware equipment and software applications relevant to simulator functions, preferred
- Knowledge of audio/video equipment and software for recording, duplication, mixing and editing, preferred
- Proficiency in MS software applications, Internet and database use
- Work requires occasional heavy physical lifting of equipment and management/utilization of advanced medical devices
- Clinical Laboratory Technician obtained prior to hire date or job transfer date
- Laboratory Tech credentialed from the American Medical Technologists (AMT) obtained prior to hire date or job transfer date
- Laboratory Tech credentialed from the U.S. Department of Health, Education and Welfare obtained prior to hire date or job transfer date

Thank you for taking your time to review my application.

Sincerely,

Phoenix Baumbach
