

Medical Tech Cover Letter

838 Schneider VistaSouth Courtney, MN 25210

Dear Avery Morar,

In response to your job posting for medical tech, I am including this letter and my resume for your review.

In the previous role, I was responsible for powerchart HIS content expertise, as it relates to the laboratory section, to physicians, laboratory and hospital personnel.

Please consider my experience and qualifications for this position:

- Previous pre-hospital or in hospital EMT experience preferred
- Previous EMT experience in hospital or pre hospital preferred
- Previous experience in specific departmental specialty
- Medical Tech Laboratory with National Certification or equivalent
- Adhere to all safety regulations, guidelines, and instructions. Communicate safety concerns to appropriate personnel
- Inspect and or measure parts at specified regular intervals to ensure parts are manufactured to specifications using high precision instrumentation and equipment
- Perform Batch Record Inspections to ensure all documents meet Good Documentation Practice (GDP) requirements
- Conduct SAP transactions ensuring accurate data recordings are completed

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Riley Becker
