

Medical Tech Cover Letter

273 Lang Valley North Christian, IN 62375-2193

Dear Quinn Kovacek,

Please consider me for the medical tech opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for consultation and orientation to instructors regarding simulation laboratory procedures, location and use of materials, and the operation of equipment.

My experience is an excellent fit for the list of requirements in this job:

- Consistently and appropriately cleans equipment
- Proficient in taking vital signs (temperature, pulse, respirations, blood pressure, height and weight)
- High school graduate or equivalency with some college or technical training
- Certified EMT/EMT-I
- Previous EMT experience or in hospital or pre hospital preferred
- A Phlebotomy certificate is preferred
- Competencies/Certifications in high risk/life support equipment
- Experience with an electronic health record, health information systems and healthcare applications

Thank you for taking your time to review my application.

Sincerely,

Drew Cole
