Dear Peyton Block,

I would like to submit my application for the mental health specialist opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for patient care under the direct supervision of the registered nurse (RN), with indirect supervision of mental health skills by an employed mental health professional.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Prior crisis call experience and certified in QPR (Suicide Awareness Prevention Training)
- Interview and secure personal health and social information to help determine consumer needs
- Work effectively with staff and consumers in treatment services and as a member of an inter-disciplinary team of behavioral health care providers
- Relate and communicate effectively with behavioral health consumers
- Know principles of risk assessment, crisis intervention and treatment
- Know the mental, physical, emotional, and social needs of consumers with mental health, physical health and/or substance abuse issues
- Apply peer counseling and motivational support techniques for helping behavioral health consumers
- Analyze problems, identify solutions and respond appropriately to crisis situations involving consumers

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Max Rohan
