

# Mental Health Therapist Cover Letter

71070 Marry StreetPort Brittanitown, OK 57809

**Dear Lennox Boyle,**

In response to your job posting for mental health therapist, I am including this letter and my resume for your review.

In my previous role, I was responsible for training to appropriate campus organizations, faculty, staff and students regarding relevant mental health issues of college students.

Please consider my experience and qualifications for this position:

- A commitment to diversity
- Knowledge of ASAM assessment dimensions, Bio-psycho-social assessment standards and demonstrates understanding of interface of these standards with medical conditions
- Using a variety of sources (interview, testing, collateral information, ) to assist in developing treatment plans with measureable objectives and interventions related to trauma and a multitude of other issues
- Utilizing a multidisciplinary team approach to assist families
- Utilizing a structured, evidence-based model of treatment (preferably Trauma-Focused Cognitive Behavioral Therapy) and/or Alternatives for Families Cognitive Behavioral Therapy while coordinating care with other therapists to address a family's needs
- Self-starting, personal responsibility, time management, and organization
- Timeliness, accuracy, and thoroughness of documentation
- Willingness to participate in meetings and community events to educate about sexual and/or physical abuse and services provided by The Healing Tree

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,
