

Mental Health Therapist Cover Letter

1455 Kreiger RidgesHyattberg, WA 77259

Dear Shae Herman,

I would like to submit my application for the mental health therapist opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for medically necessary mental health treatment services to children and adolescents experiencing social, emotional, behavioral and psychiatric issues.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Knowledge of the developmental issues, trends, and best practices related to college students and counseling services
- Computer proficient, including electronic health records
- Knowledge of Agency policies and procedures, HIPAA, policies and documentation guidelines, and county, state and federal regulations relating to service programs for adults, children, and families with a history of mental illness and/or substance use
- Previous experience with Intellectually Developmentally Disabled (IDD) adults preferred
- Certified in providing Emotionally Focused Therapy (EFT) as a treatment modality, training and supervising therapists in the EFT model
- Demonstrated working knowledge of DSM-V categories and differential diagnosis
- Demonstrated experience in case and resource coordination
- Experience with formulation of treatment plans to guide treatment

Thank you for taking your time to review my application.

Sincerely,
