

Mental Health Cover Letter

761 Sporer Tunnel Clarktown, MO 96071-2966

Dear Ryan Paucek,

In response to your job posting for mental health, I am including this letter and my resume for your review.

Previously, I was responsible for individual and group counseling services to a culturally diverse undergraduate and graduate student population that includes intake evaluations, mental health interventions, treatment follow-up, and appropriate referrals.

My experience is an excellent fit for the list of requirements in this job:

- At least 2,000 supervised clinical hours preferred
- Recent experience working in a Mental Health environment
- Demonstrate effective problem solving abilities for routine situations
- LGBTQ and Transgender experience preferred
- Knowledge and expertise of psychiatric or chemical dependency disorders and treatment modalities
- Strong skills in group process
- Strong knowledge of social work practice in behavioral health and or chemical dependency setting
- Knowledge of community resources especially related to those serving behavioral health and or chemical dependency patients

Thank you for taking your time to review my application.

Sincerely,

Onyx Watsica
