

Mental Health Cover Letter

700 Moshe DrivesMurphyfurt, PA 96728-6468

Dear Story Hauck,

I am excited to be applying for the position of mental health. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for expert consultation to support the DoD integrated strategy for prevention and early intervention of mental health conditions.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- The Mental Health Specialist provides psychiatric clinical intervention services for patients and families
- Monitor and report any changes in patients mental status
- Develop a mutual and reciprocal relationship with clients and their families when appropriate based upon respect for the uniqueness of each individual
- Maintain communication with patients and other treatment providers to optimize success for patient
- Assists in maintaining currency of patient demographics and insurance information as necessary
- Provide individual and family therapy
- Evaluate and analyze GDPDC medical department and advise on gaps of expertise
- Encourage more medical ethics, mental health, and medical screening training programs within the provinces and headquarters

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,
