Dear Royal Parker,

I submit this application to express my sincere interest in the mgr, inside sales position.

In my previous role, I was responsible for staff oversight to ensure plans, policies, procedures, and transition/migration plans are consistent with the overall company goals and objectives.

Please consider my qualifications and experience:

- Solid understanding of the competition in storage and backup solutions is an added advantage
- Fluent in language of primary country supported
- Experience of inside sales rep is an added advantage
- Graduates or Post Graduates in any stream
- High sales activity and proven experience on driving and managing demand generation programs and campaigns
- Strong messaging / enablement skills, coupled with financial sales capabilities
- Passionate to learn more about the data protection market including technologies, trends, and competitive landscape
- Have a business development mindset and leverage stakeholder relationship to influence DPS attach to servers, storage, CI/HCI and desktop/laptops

Thank you for your time and consideration.

Sincerely,

Dakota Schowalter
