

Middle School Cover Letter

5842 Raquel Valley Arnulfo view, ID 23857

Dear Blake Cole,

I submit this application to express my sincere interest in the middle school position.

In my previous role, I was responsible for strategic leadership for the clinical placement team to ensure all processes are in alignment with curriculum and accreditation standards.

Please consider my qualifications and experience:

- High energy, empathetic, humble, good sense of humor
- Content knowledge expertise with regard to mathematics pedagogical strategies
- Previous school leadership experience as a principal, assistant principal, or dean with demonstrated student achievement results from the teachers and leaders one manages/coaches
- Command of instructional design and the benefits and tradeoffs of school design decisions in driving student achievement
- Deep understanding of appropriate application and differentiation of high-leverage instructional strategies based on comprehension of child development and pedagogy
- Track record of managing staff through planning, motivating, rewarding, and providing targeted feedback and professional development
- Demonstrated success in developing leadership capacity in others
- Understanding of and commitment to restorative justice practices

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Ari Kuphal
