Dear Max Haag,

In response to your job posting for millwright, I am including this letter and my resume for your review.

In my previous role, I was responsible for field service in a professional and experienced level showing commitment to the project and confidence in their workmanship.

Please consider my qualifications and experience:

- Working knowledge of Industrial Maintenance (electrical and mechanical technologies)
- Journeyman Millwright status or equivalent trade knowledge preferred
- Basic U/G and Surface Common Core preferred
- Equipment Operating Skills preferred
- Red Seal Qualification and Experience - Millwright (Trade test) in an electrical or allied trade or N4 and thorough knowledge of SABS and OSH Act
- Honest, assertive and Flexible
- Sound knowledge of mechanical and electrical equipment
- The jobholder needs a thorough understanding of maintenance principles

Thank you for your time and consideration.

Sincerely,

Riley Weber
