

Millwright Cover Letter

7824 Mayert Lodge Lake Wanda, HI 46570

Dear Spencer Kassulke,

In response to your job posting for millwright, I am including this letter and my resume for your review.

In the previous role, I was responsible for input for selection of appropriate manufacturing equipment to ensure the most cost efficient/reliable solution is available within company budget guidelines.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Optimize the machinery performance
- High level of analytical thinking and problem solving
- The jobholder will need a working knowledge of ISO14001 & OHSAS18001
- Fully proficient in English language
- Demonstrate different fault finding techniques
- Being able to adapt to continuous changes in the engineering discipline
- Exposure to building HVAC Systems
- Understanding of SANS10142 Standard

Thank you for your time and consideration.

Sincerely,

Campbell Kunze
