

Millwright Cover Letter

939 Schuppe Gateway South Wilburmouth, OH 43169

Dear Sawyer Erdman,

I would like to submit my application for the millwright opening. Please accept this letter and the attached resume.

Previously, I was responsible for technical support and take on assignments, as required, to support the overall reliability of site systems and assets during regular and outage maintenance timeframes.

Please consider my qualifications and experience:

- Performs simple to intermediate equipment and pipe installations
- Rebuilding production equipment
- Thorough understanding of rigging, welding, and fabricating
- The above information reflects the general job duties and should not be construed as a detailed description of all work requirements
- Previous working experience with advanced Hydraulics
- Reliable transportation
- Own basic tools or small gang box
- Read, understand, and follow blue print drawings and schematics

Thank you for considering me to become a member of your team.

Sincerely,

Jordan Kuhlman
