

Mining Engineer Cover Letter

6373 Carroll MountainPort Brant, IN 41711

Dear Denver Christiansen,

I would like to submit my application for the mining engineer opening. Please accept this letter and the attached resume.

Previously, I was responsible for input to the design of and selection of mine infrastructure, mining equipment and mine excavations;.

Please consider my experience and qualifications for this position:

- Evaluating capital projects
- Supervising projects
- Experience in the resource industry and proven success in previous studies on mine design and mine scheduling
- Strong understanding of Open pit optimisation tools
- Long term strategic mine planning skills
- Practical knowledge and experience in economic modelling and evaluation methods
- Parent's room available
- Experience in the management and specification of underground mine materials handling systems and equipment

Thank you for taking your time to review my application.

Sincerely,

Finley King
