

Mobile Project Manager Cover Letter

653 Alex DrivesPort Tawana, NH 65532

Dear Lennox Kling,

I submit this application to express my sincere interest in the mobile project manager position.

In my previous role, I was responsible for technical ideas and high level conceptual insights on architecture and design of Mobile and Web applications.

Please consider my qualifications and experience:

- Proficiency with Microsoft Project, Excel, MS Word and Visio
- Familiarity with Project Portfolio Management tools
- Experience with requirements gathering tools, such as Jira, and TopTeam
- Pharma/CRO experience preferred
- Familiarity with systems like Jira, TFS
- Experience in complex problem handling situations - resource/time constraints, quality challenges, release issues
- Experience handling multiple and short duration projects at the same time
- Technically well grounded within the assigned area of work

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Frankie Lang
