

Mobile Project Manager Cover Letter

9708 Jerde CommonPort Pedrotown, NJ 62988

Dear Bellamy Cremin,

I would like to submit my application for the mobile project manager opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for adequate theme and content such as product recommendations for different shopping entries – web portal, mobile app, and WeChat store.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Project Management and/or Software Implementation experience
- Knowledge in banking, financial services or mobile banking
- Problem solver, creative in problem mitigation and resolution, drives problems to closure
- Knowledge of HTML, Mac, and Mobile (Android Phone, iPhone, Tablets,) products preferred
- Prior budget management experience
- Very strong organizational, presentation, and business
- Great leadership, effective communication, persuasion and negotiation skills
- Excellent knowledge of system development life cycle methodology and project management techniques

Thank you for considering me to become a member of your team.

Sincerely,

Emerson Raynor
