

# Modeling Analyst Cover Letter

162 Kilback Drive Wuckertfurt, ND 46642-1116

**Dear Rory Lehner,**

I submit this application to express my sincere interest in the modeling analyst position.

In the previous role, I was responsible for detailed historical data such as compilation and analysis of statistical data utilizing SAP and POS report to aid Product Management Department in developing pricing strategies.

Please consider my qualifications and experience:

- Expertise with other statistical software
- Experience in business and data modelling management in a global team environment
- Educational Background in Business Administration with a focus on Information Systems & Finance
- Global relationship experience
- Advanced Excel skills including experience with Power Pivot Modelling, Power BI, SharePoint, Pivot Tables, Complex Formula Creation & Macro Building
- Strong knowledge of PowerPoint & Salesforce
- Strong financial accounting knowledge
- Working Knowledge of Access & Visio

**Thank you for considering me to become a member of your team.**

Sincerely,

Indigo Nienow
