

# Motion Graphics Artist Cover Letter

8218 Dietrich Forest North Nicholas, NJ 87629

**Dear Blake Cartwright,**

I am excited to be applying for the position of motion graphics artist. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for design assets if required to external suppliers commissioned by the Production team, to enable them to execute work in line with the agreed creative idea, budget and timeline.

Please consider my experience and qualifications for this position:

- Proficiency with, After Effects (expert level), Cinema 4D, Photoshop, Illustrator, and all related business and design tools
- Should possess excellent sense of timing, motion and movement in visual media
- Review and approve all design/animation executed by contract animators or 3rd party vendors
- Able to help build and maintain a comprehensive creative asset library of animations and graphics
- Manage project files and video files organized and backed up according to existing file structure
- Work 5 days a week in our Aliso Viejo office
- Mastery of Adobe After Effects, other Adobe Creative Suite software
- Familiarity with and passion for Localization processes and associated workflows

**Thank you for considering me to become a member of your team.**

Sincerely,

Robin Gleason
