

Motion Graphics Artist Cover Letter

2177 Osinski CentersDeckowview, MO 75772

Dear Greer Ankunding,

I am excited to be applying for the position of motion graphics artist. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for demo reel/portfolio of recent relevant work demonstrating video, motion design and post-production skills.

Please consider my experience and qualifications for this position:

- High proficiency in in Adobe CC- Premiere Pro and After Effects in particular, and familiarity with Audition, Photoshop, Illustrator
- Proficiency in motion graphic design, animation, video editing and audio mixing
- Experienced with studio and on location shooting techniques, cinematography, color grading and lighting techniques
- Proficiency in using digital cinema cameras, DSLR's and complete understanding of lighting techniques for video
- Understanding of social media outlets and their relevance
- Portfolio/reel to demonstrate video editing, motion graphics, and 3D animation craft skills
- Careful attention to detail and follow through on all production assignment deliverables
- Basic computer proficiency including Outlook, Calendar, Google Drive Spreadsheets, Documents and other cloud based computer resources

I really appreciate you taking the time to review my application for the position of motion graphics artist.

Sincerely,

Briar Schiller
