Dear Sam Streich,

Please consider me for the national operations opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for technical leadership and support of business processes, applications, and projects from concept, through design, testing, documentation, validation and implementation.

Please consider my qualifications and experience:

- Strong working knowledge of Treasury, Title 31, GCB, and internal control requirements
- Knowledge of paperwork flow regarding credits and debits
- Strong knowledge and understanding of fraud prevention and credit scams
- Strong working knowledge of Excel and Microsoft Office
- Financial aptitude and management experience preferred
- Experience in leading and participating in major CI development and deployment activities within a production quality HPC or industry research environment
- Experience leading technology evaluation and readiness process
- Strong organizational skills and demonstrated experience in management of a large CI related activity

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Morgan Hoppe
